Is there a way in WorldShare to refund an institution for a closed request?

Last updated: Mon, 14 May 2018 13:10:25 GMT

Applies to

• WorldShare Interlibrary Loan
• Tipasa

Answer

It is not possible to refund libraries on a closed request. However, libraries can work together for one to send the other a dummy request, and can use that request to create a refund through IFM for the previously closed request.
