New features and enhancements

Use enhanced purchase workflow

The purchase workflow in WorldShare ILL has been enhanced to allow you to:

- Automatically route requests meeting specified criteria (e.g., format, year, patron status) to the new Review for Purchase queue

- Return unpurchased item to borrowing workflow
- Utilize request history for requests in the purchase workflow
- Access information in usage reports
- View additional information for purchase requests
For complete details, please see Purchasing Requests.

**Receive email alerts when new lending requests arrive**

For infrequent lenders, you can opt to receive an email alert when a new request arrives in the lending queue.

For more information, please see New Lending Requests Email Notification.

**Bug fixes and known issues**
