Our library is under renovation and we need to deflect requests

Objective

• Deflect all Interlibrary Loan Requests

Applies to

• WorldShare Interlibrary Loan
• Tipasa

Steps

The below steps will deflect all Lending requests:

1. From the WorldShare Interlibrary Loan Home page, select OCLC Policies Directory under “Other” links.
2. On the Profile tab under OCLC Supplier click the “Edit” link.
3. Change the “Yes” to “No.”

Additional information

Changing this setting means you won’t be getting any lending requests, but you can still send borrowing requests to other libraries.

When you are ready to lend again please remember to change the OCLC Supplier setting back to “Yes.”
