I accidentally removed a book strap from my print queue. How do I add it back?

Objective

- Add book strap/sticker back to the Print Queue

Applies to

- WorldShare ILL

Steps

You can reprint an book strap or sticker, which will add the item to the Print Queue again. To do this, follow these steps:

1. Bring up the item by searching for the request on the Interlibrary Loan Home tab or finding it in the Lending Requests.
2. Click Print Now and then select Reprint Book Strap/Sticker.
3. Verify the item has been added to your Print Queue.

Additional information

Additional information regarding printing can be found on the Printing for Lenders help page.
