How do I turn off ILL requests coming to my library through WorldCat.org?

Last updated: Mon, 22 Oct 2018 15:28:15 GMT

Objective

- To stop getting incoming ILL requests from WorldCat.org

Applies to

- FirstSearch
- WorldCat.org

Steps

For institutions that have changed to non-circulating and still get ILL requests out of the blue.

2. Navigate to: Resource sharing> Patron ILL settings> select "Patron ILL request Form" > uncheck "Persistence: On".

3. Navigate to: Resource sharing> Patron ILL settings> select "ILL Request Management" > uncheck "Display in Patron interface".

Additional information

If you need your login information for the FirstSearch Admin site, contact OCLC Support.
