When uploading a patron record that matches an existing patron record, what happens to the notes in that patron record?

Last updated: Mon, 29 Mar 2021 14:22:14 GMT

Applies to

- WorldShare Circulation
- Tipasa

Answer

With ongoing patron data loads, notes that are identical to previously-loaded notes are ignored and new notes are added to the patron record.

Additional information

Additional information can also be found on the [Patron data files](https://help.oclc.org/Library_Management/WorldShare_Circulation/Troubleshooting/When_uploading_a_patron_record) help page.
