Are Worldcat records discoverable by Google?

Last updated: Tue, 16 Oct 2018 18:54:50 GMT

Applies to

- WorldShare Collection Manager

Answer

You can surface your knowledge base journal titles in Google Scholar by configuring the Google Scholar settings.

Additional information

Here is more information on [how to configure Google Scholar settings](https://help.oclc.org/Metadata_Services/WorldShare_Collection_Manager/Troubleshooting/Are_Worldcat_records…).
