I found an item in Worldcat.org, but I cannot find it in WorldShare ILL

Last updated: Mon, 31 Dec 2018 16:22:39 GMT

Applies to
• WorldShare ILL

Answer
WorldCat.org contains many databases beyond just the WorldCat Database. WorldShare ILL is only searching the WorldCat Database. You may find items in WorldCat.org that are not available in WorldShare ILL. You may need to contact the Lending library directly to see if you can request the item from them.
