**Last updated: Mon, 29 Oct 2018 18:56:30 GMT**

---

### Applies to

- WorldShare Interlibrary Loan
- Tipasa

### Answer

If your library has stopped lending by changing the OCLC Supplier Status, you can enable lending again by changing the Supplier Status to **Yes** in the **OCLC Policies Directory**. Information about updating settings in the OCLC Policies Directory can be found on the [Sign in and manage profile](https://help.oclc.org/Account_Management/Sign_in_and_manage_profile) help page.
