We are experiencing issues with QuestionPoint chat services

Last updated: Fri, 01 Nov 2019 15:06:10 GMT

Symptom

- While monitoring chat sessions, staff experience issues such as dropped chats and error messages stating "Oops. Something went wrong."

Applies to

- QuestionPoint

Resolution

If you are experiencing issues with QuestionPoint chat, please contact OCLC Support and include as much of the following information as possible:

- Your library's QuestionPoint institution ID, your librarian ID, and/or the question ID under which the error occurred
- A description of the problem you are experiencing including the exact error message such as:
  - "Oops. Something went wrong. Check your connections. Please try again."
- The URL of the chat chat page with the error
- The URL of the QuestionPoint homepage, which will include jsessionid= within the URL
- Full page screenshot of the error
- Date and time the error occurred
- The browser and browser version being used
