Is there a limit for number of Project client installations?

Last updated: Fri, 09 Nov 2018 21:30:50 GMT

Applies to

- CONTENTdm Project Client

Answer

There is no set limit for the number of installations of CONTENTdm Project Client at any subscription level.

Additional information

CONTENTdm Project Client requires serial number to install. The serial number that allows member to install the Project Client is identical to their CONTENTdm license number. It can be accessed and reviewed in CONTENTdm server admin page under Server (tab) > About.
