Unable to see the command shortcuts in Connexion using Internet Explorer

Last updated: Mon, 17 Dec 2018 20:03:07 GMT

Symptom

• Command shortcuts not appearing in Connexion browser when using Internet Explorer

Applies to

• Connexion browser using Internet Explorer

Resolution

To see the command shortcuts, try turning on compatibility view by following these steps:

1. Click the gear icon for tools in the upper right corner.
2. Click **Compatibility View settings** and add oclc.org.
3. Click Close.
