How can I change the order of our items that display in the item's Holding Summary in Discovery?

Last updated: Thu, 20 Dec 2018 15:05:01 GMT

Applies to
- WorldCat Discovery
- WorldShare Record Manager
- Connexion

Answer
The order at which items appear in a holding summary is dictated by the order of the 863 field in the items LHR. These can be edited in either Record Manager or Connexion.
