How do I sign out of the CONTENTdm Server Administration tool

Symptom

• You are in the CONTENTdm administration and you are needing to sign out or are testing another users authentication.

Applies to

• CONTENTdm

Resolution

CONTENTdm Administration tool does not have a sign out button. Please clear your browser history to clear credentials. You will be prompted for authentication when you return to your CONTENTdm site.

CONTENTdm Website Configuration Tool does have a sign out option.

Additional information

If you need further assistance please reach out to OCLC Support. Please include screenshots and the site ID you are attempting to log out of.
