How to search by subject heading (su:)

Last updated: Thu, 10 Mar 2022 18:23:42 GMT

Symptom

• I would like to search by subject heading su:<subject of choice> but qualify it by a blank date in field 008 positions 7 through 10 (Date 1).

Applies to

• Connexion client
• Connexion browser
• Record Manager

Resolution

For no date, enter zeroes — su:<subject of choice> AND yr:0000.

Additional information

Using 0000 for a no date (uuuu) search as well as substituting zeros for the u’s are described briefly on this help page, near the bottom of the first column.
