The same record is displaying twice in WorldShare Record Manager

Last updated: Thu, 08 Sep 2022 14:49:28 GMT

 Applies to

- WorldCat Discovery
- WorldShare Record Manager

Answer

If duplicate results for one record are appearing when searching and the duplicate records have the same OCLC number, send the OCLC number of the item, and any OCLC numbers found in the 019 field of the record, to OCLC Support along with screenshots of the duplication and a link to this help article.
