An ILL responder has marked an item as shipped but the user no longer requires the item

Last updated: Fri, 08 Feb 2019 15:43:58 GMT

Symptom

- An ILL responder has **Shipped** the item however the borrower no longer needs it

Applies to

- UnityUK

Resolution

- You will need to contact the responding library with the UnityUK request number. They will need to decide whether they can **Unship** the item.

Additional information

- After the **Unship** action, the responding library will need to take another action such as **Not Supply**.
