Can I have multiple delivery addresses to choose from when requesting items from the British Library on UnityUK?

Last updated: Tue, 19 Feb 2019 16:14:31 GMT

Applies to

- UnityUK

Answer

Yes. You can enter a **Pickup Location** address to override the standard default delivery address of the requesting library, however, this is defined by configuration parameters and needs to be set up by OCLC Staff.

Please contact [OCLC Support](https://help.oclc.org/Resource_Sharing/UnityUK/Troubleshooting/Can_I_have_multiple_delivery_addresses_to_ch...) for more details.
