Because I am purging old authorizations from my system, how do I know which ILL authorization I am using for ILLiad?

Last updated: Wed, 15 May 2019 15:09:36 GMT

Applies to

- ILLiad.

Answer

In your Customization Manager, the OCLCILLLAuthorization key is the one that has the value for your ILL Authorization number you are using. So you do not want to have that ILL authorization number removed.
