How do we turn off all ILL lending requests?

Last updated: Thu, 09 Dec 2021 20:51:45 GMT

Applies to

- WorldShare Interlibrary Loan
- Tipasa
- ILLiad

Answer

You will need to change your OCLC Supplier status from Yes to No. This is done in the Policies Directory under the Profile tab.

2. Sign in using your ILL policies authorization and password.

3. The page will open with the Profile tab active, look for the line titled OCLC Supplier.

4. Click Edit to change the supplier status to No.

Additional Information

If you do not know your ILL authorization number or password, please contact OCLC Support.
