Why is the publication information not populating in my record when I switch from MARC 21 view to Text View?

Last updated: Wed, 03 Apr 2019 16:48:59 GMT

- WorldShare Record Manager

Answer

The publication information is populated from the 260 field in the MARC record. If the record does not have a 260 field, the publication information will not appear in the text view.
