Where does the Photocopy Flag field in the Lender Resource Sharing Stats report come from

Last updated: Fri, 19 Apr 2019 15:20:26 GMT

Applies to

- WorldShare ILL
- Tipasa

Resolution

The Photocopy Flag field in interlibrary loan reports is used to differentiate loans (0) vs. copies (1).

Additional information

We have more information on the [Lender Resource Sharing Statistics](https://help.oclc.org/Resource_Sharing/WorldShare_Interlibrary_Loan/Troubleshooting/Where_does_the_Photoco...) report.
