**Tags**

Tags are keywords that help you classify or describe an item. Tags may help you find similar items or they may just help you organize items in a way that makes sense to you. A phrase may be saved as a Tag as long as none of the words are separated by a comma. Keep in mind that all tags are public and are visible to anyone who displays Tags. You can view the most popular tags on an item as either a tag list or a tag cloud by clicking the link.

**Create a tag**

**Before you begin:** You must sign in to create a tag. If you are not signed in, the sign in screen is displayed when you click Add tags. You may also sign in by clicking the Sign in link at the top or bottom of the screen.
1. Sign in to your WorldCat.org account.
2. Click Add tags to expand the Add tags for [item title] accordion.
3. Enter your tags, separated by commas, or apply tags you’ve already created.
   Note: Tags have a 75-character limit. Permitted characters are:
   ◦ hyphen (-)
   ◦ apostrophe (‘)
   ◦ underscore (_)
   ◦ comma (,): used as a delimiter
   ◦ space (#)
4. Select Save Tags. The screen is redisplayed showing your tags, and a confirmation message appears.

**Edit or delete a tag**
