How do I set my library’s default search to Libraries Worldwide?

Last updated: Thu, 03 Nov 2022 15:45:03 GMT

Applies to

- WorldCat Discovery

Answer

This can be changed in the Service Configuration > WorldCat Discovery and WorldCat Local > Relevancy and Scoping > WorldCat Discovery Default Scoping Level

Additional information

For more information please see the Relevancy and Scoping section of the Service Configuration Guide.
