How does OCLC Z39.50 Cataloging compare to OCLC Connexion?

Last updated: Wed, 08 May 2019 13:18:04 GMT

Applies to

- Z39.50

Answer

Z39.50 Cataloging does not provide the same functionality as OCLC Connexion. The following list of Z39.50 Cataloging limitations illustrates some of the major differences between the two cataloging services:

- There is no lock and replace capability for libraries that perform enhance, CONSER, and upgrading activities.
- Uploading of original cataloging records is not currently available.
