How do member libraries delete holdings?

Last updated: Wed, 08 May 2019 13:05:39 GMT

Applies to

- Z39.50

Answer

OCLC supports deleting institution holding symbols via the Z39.50-1995 DatabaseUpdate Extended Service Definition. For more information, see Database update implementation for OCLC Z39.50 Cataloging: Extended Service Definition.

Note:

- All local holdings records (LHRs) associated with a bibliographic record are deleted when holdings are deleted from the bibliographic record. To retain LHRs, move them to another record before deleting holdings from a bibliographic record.
