Does this service provide access to other OCLC databases?

Last updated: Thu, 17 Jun 2021 11:49:13 GMT

Applies to

- Z39.50

Answer

This service currently provides access to WorldCat (OLUCWorldCat), Library of Congress name and subject authorities (OCLCAuthoritiesLC), and FirstSearch databases.

In addition to these OCLC databases, OCLC Z39.50 Cataloging also provides access to Canadiana (Autorités de noms Canadiana en français) (CAOONL).
