Is there anything we need to do after adding an ILLiad Server Addon into the Customization Manager?

Last updated: Fri, 02 Aug 2019 19:21:13 GMT

Symptom

- You have added a Server Addon in the Customization Manager and you want to know if there is anything else that needs to be done to have the Server Addon to run

Applies to

- ILLiad

Resolution

Make sure your SystemManagerAddonInterval is set to 5 minutes. You need the ILLiad System Manager service restated on the ILLiad Web Server. If you are Self-Hosted, you contact your Web Server Administrator. If you are hosted by OCLC, you contact OCLC Support.
