* *** UEL e-Journals (global.72583.1) – contributed by US Army Corps of Engineers, Portland District

* indicates a new provider
*** indicates that the collection contains only open access content as defined by the provider.

Discontinued collections

For some discontinued collections we recommend selecting newer or better collections. We have indicated those below when they exist; not all discontinued collections will have a suggested replacement collection.

Discontinued collections have a lifespan of about six months+ before they are deleted. Plan to deselect discontinued collections before OCLC removes them from the knowledge base so you have a chance to select alternative collections.
Find more information on the Discontinued knowledge base collections page.
