Applies to

- WorldCat Discovery
- OCLC Usage Statistics

Answer

While statistics may be available before the 10th day of each month, OCLC does not guarantee the data will be there until the 10th day of each month.

Use [OCLC Usage Statistics](https://help.oclc.org/Discovery_and_Reference/WorldCat_Discovery/Troubleshooting/When_are_WorldCat_Discovery_statistics_available_each_month.html) to access reports for your institution.
