My local holdings aren't displaying as expected

Last updated: Wed, 07 Aug 2019 16:19:40 GMT

Symptom

- I don’t see all of my Local Holdings location information on the Display All Libraries screen

Applies to

- FirstSearch

Resolution

Local Holdings data is populated by the summary field in the Local Holdings Record. You can change this in OCLC Connexion Browser or WorldShare Record Manager. See instruction links below.
