Discontinued collections

For some discontinued collections we recommend selecting newer or better collections. We have indicated those below when they exist; not all discontinued collections will have a suggested replacement collection.

Discontinued collections have a lifespan of about six months+ before they are deleted. Plan to deselect discontinued collections before OCLC removes them from the knowledge base so you have a chance to select alternative collections.

Find more information on the Discontinued knowledge base collections page.

Discontinued Collection: Proquest PsycBOOKS (global.85992.120420)
Select this collection instead: ProQuest PsycBOOKS (PQUEST.psycbooks)
