Can a patron have both ILLiad Authentication and Remote Authentication at the same time?

Last updated: Thu, 08 Jul 2021 13:43:40 GMT

Symptom

- You have a patron accounts that you want to know if they can have both ILLiad and RemoteAuth Authentication

Applies to

- ILLiad

Resolution

ATLAS has a way you can do this by following the Using an Authentication Portal Landing Page documentation. If you are hosted by OCLC, please contact OCLC Support.
