Why can't I find my locally created collection in My Collection Overlap Summary Report?

Last updated: Fri, 09 Aug 2019 19:37:45 GMT

**Symptom**

- My Collection Overlap Summary Report shows no data in one or more of the collections

**Applies to**

- WorldShare Analytics

**Resolution**

Follow these steps:

1. Ensure the collection IDs are entered exactly as displayed in WorldShare Collection Manager
2. Ensure the base collection type is accurate

**Additional information**
