Where is the Share button in Digby?

Last updated: Tue, 13 Aug 2019 20:31:11 GMT

Symptom

- The Digby window doesn't show the Share link above the Inventory

Applies to

- WMS Circulation
- Digby

Resolution

While your cursor is in the **Type or scan barcode** textbox the phone thinks it needs to use the camera and may hide the Share button. To release the camera, click outside the **Type or scan barcode** textbox, maybe on an item record below the **Share** button.
