Why did a large number of my overdue items fall off the Overdue Items Aging Report

Last updated: Fri, 23 Aug 2019 20:31:19 GMT

Symptom

- You run the Overdue Items Aging Report on two different days and get very different amount of data on each day

Applies to

- WMS Analytics
- WMS Reports

Resolution

If you find a large number change in this report please contact OCLC Support with your OCLC Symbol, the dates of the reports, and some sample lines that are missing.
