I set up the link for RSS feeds on the Borrowing ILLiad Web page, but it is not working in Google Chrome and Firefox

Symptom

• When a patron is in the ILLiad Web pages and they try to sign up for the RSS feed using Google Chrome, they get an error message

Applies to

• ILLiad

Resolution

You have to add an extension to Google Chrome for the RSS feed to work. Here are the steps you need to take:

1. Click on the link for RSS Subscription Extension (by Google).
2. Click on "Add to Chrome."

For Firefox, the link is in their Feed reader replacements for Firefox documentation. You will need to install and Add on for Firefox.
