OOPS error when going into WorldCat Discovery

Last updated: Fri, 06 Sep 2019 13:16:42 GMT

Symptom

- You get an error that says OOPS when going into WorldCat Discovery.

Applies to

- WorldCat Discovery

Resolution

Clear the WorldCat cookie and restart the browser. If the problem persists, contact OCLC Support with your library symbol and the steps you are taking that bring up the error or the search you are performing.
