Learn how to change a periodical main entry title in Amlib.

**Change a Title**

1. Launch the *Amlib* client
2. Go to **Main > Periodicals > Periodical** – the Periodical screen will display
3. Search for a periodic record via **F5 Query** button
4. Once displayed, from the Periodical menu, select **Transactions > AllowTitleChange** – a Title Change prompt with the following message will display: *You may now change the title... Please note that this does not affect the Catalogue Record and if necessary you should call up Catalogue Maintenance to have the title change properly recorded.*

   ![Title Change Prompt]

5. Click the **OK** button – the “old” title will now appear in the Prev Title: field – for example: *Doctor Who weekly*
6. You are then able to type in the new Title:

   ![Periodical Screen]

7. Click the **F3 Update** button when complete – a prompt with the following message will display:

Printed: Thu, 02 Sep 2021 03:01:18 GMT
8. Click the **OK** button

9. You will then need to **XReference** to the **Catalogue** entry and update the Title if required. We suggest you enter the previous Title as a 247 Tag (previous Title)
