Learn how to link a catalogue to a main periodical in Amlib.

**To link a catalogue to a main periodical record**

1. Access the Amlib Client
2. Go to **Main>Catalogue>Catalogue**
3. The Catalog window will display
4. Search in the catalogue for the periodical title. Each Catalogue record has a Ref number unique to that Catalogue
5. When it displays in Catalogue, in the lower right hand side you will notice some data displayed as **Ref** : (up to 5 numbers). Note this number

6. Search in the Periodical module for the same title
7. Select **Transactions > LinkToCat**

8. In the box, type the Cat Ref number and tick to you can also refresh from catalogue. Click OK and the catalogue record and the Periodical record are linked.
