Can't edit fund field in budget

Last updated: Fri, 06 Sep 2019 16:15:06 GMT

Symptom

- You can't edit the text for a fund in a budget you are working with. Instead, when you click on the pencil no text box appears.

Applies to

- WMS Acquisitions

Resolution

Clear cache and restart your browser. If problems persist, contact OCLC Support with your symbol, the budget date, the fund and what you were doing when the problem started.

Additional information

There is more information on WMS Acquisitions Budgets.
