I need to understand the difference between Odyssey, Borrowing, and Doc Del in ILLiad

Last updated: Mon, 09 Sep 2019 18:19:18 GMT

Symptom

- You want a clear explanation of what Odyssey, Borrowing and Doc Del are in ILLiad

Applies to

- ILLiad

Resolution

Here are the differences for Odyssey, Borrowing and Doc Del in ILLiad:

1. Odyssey is the service used to send and receive Electronic Articles. Article Exchange is also used to send and electronic articles to non-ILLiad sites.
2. Borrowing is what you use when you are requesting items from other libraries.
3. Doc Del is what you use when you are loaning books and sending articles to patrons that you do not have to borrow from other libraries.
