Why aren't my shortcut keys working as expected?

Last updated: Thu, 12 Sep 2019 20:04:44 GMT

Symptom

• When you type commands into the keyboard in Connexion Client the commands don't come up as you expect

Applies to

• Connexion Client

Resolution

On the Keymaps window (Tools > Keymaps), deselect the Disable Application Default Shortcuts check box.

Additional information

There is more information on setting up Keymaps.
