Where can I find my holdings count?

Symptom

- You want to get your library's total number of title holdings

Applies to

- Collection Evaluation
- OCLC Usage Statistics

Resolution

If you have access to Collection Evaluation you can get the count of your total library holdings in WorldCat via the My Library tab in the upper left hand corner.

If you do not have access to Collection Evaluation, you should be able to get a report of your holdings count by format via the Assessment Tools - WorldCat Collection Dashboard tab in OCLC Usage Statistics.

Additional information

There is more information on the My Library tab and the Assessment Tools tab.
