Can I edit a borrowing note after I've already sent it?

Last updated: Thu, 09 Apr 2020 15:18:36 GMT

Symptom

- A borrowing note has been sent. Can you edit it after sending?

Applies to

- ILLiad

Resolution

If the borrowing note field is grayed out after you've sent the request, then no edits can be made. The only time an edit is possible is when a conditional is being applied.
