What changes do we need to make following our upgrade to ILLiad 9.0?

Last updated: Tue, 19 Nov 2019 19:13:52 GMT

**Question**

What changes do we need to make following our upgrade to ILLiad 9.0?

**Applies to**

- ILLiad

**Resolution**

In addition to being prompted to change your passwords if your Authentication Type is ILLiad, you will also need to add the formstate tag to your Web pages. Please see In ILLiad 9, where do we add a formstate tag to the documents that it talks about in the Release Notes?
