When installing Connexion client member receives a do you want to allow this app message

Last updated: Thu, 09 Jan 2020 19:20:45 GMT

Symptom

- When installing Connexion client member receives a message "Do you want to allow this app from an unknown publisher to make changes to this device" Then asks for a username/Password and a note that says The requested operation requires elevation

Applies to

- Connexion client install

Resolution

1. This is from the member's it team so that they know who install programs on their pc's.

Additional information

This is not a problem just a question that was asked by an OCLC member
