How can I get a list of items that have never been checked out?

Last updated: Wed, 12 Feb 2020 15:28:47 GMT

Applies to

- WorldShare Reports
- WorldShare Circulation

Answer

The [Circulation Item Inventories Report](https://help.oclc.org/Library_Management/WorldShare_Reports/Troubleshooting/How_can_I_get_a_list_of_items_...) can be opened in an Excel spreadsheet. Filter the column "Item_Issued_Count" for 0s to get a list of items in your collection that have never circulated.
