Is there a way to search by User ID at Source

Last updated: Sun, 20 Dec 2020 23:53:58 GMT

Applies to

• WorldShare Admin

Answer

• Sign in to your library's WorldShare URL
• Go to Admin > User Management
• Limit search to Name,ID,Email (the default search) or User ID at source
• Enter the User ID at Source value to retrieve the record

Additional information

Note that wildcards do not work in patron searches as of June 2020.
