Introduction

This release of changes to WorldCat Validation is the first of a series related exclusively to the OCLC-MARC Authority Validation Rule Sets for the Library of Congress Name Authority Cooperative (NACO) and Subject Authority Cooperative (SACO) Authority Files.

Included are selected Authority elements previously documented mostly in the following MARC 21 Format for Authority Data Updates issued by the Library of Congress:

- Update No. 2 (October 2001)
- Update No. 3 (October 2002)
- Update No. 17 (September 2013)
- Update No. 18 (April 2014)
- Update No. 19 (October 2014)
- Update No. 20 (April 2015)
- Update No. 21 (September 2015)
- Update No. 22 (April 2016)
- Update No. 23 (November 2016)
- Update No. 24 (May 2017)
- Update No. 25 (December 2017)
- Update No. 26 (April 2018)
- Update No. 27 (November 2018)
- Update No. 28 (May 2019)
• **Update No. 29** (November 2019)
  ◦ There were no changes to the MARC 21 Format for Authority Data included in Update No. 29 (November 2019).

The corresponding “Authority Record Changes” sections of the following OCLC Technical Bulletins have also documented most of these selected Authority elements for WorldCat:

• OCLC Technical Bulletin 228 (December 1998) [Not available online]

• [OCLC Technical Bulletin 264](#) (August 2014)

• [OCLC Technical Bulletin 265](#) (July 2015)

• [OCLC Technical Bulletin 266](#) (July 2016)

• [OCLC Technical Bulletin 267](#) (August 2017)

• [OCLC Technical Bulletin 268](#) (September 2018)

• [OCLC Technical Bulletin 269](#) (July 2019)

The new Geographic Area Codes and Language Code listed below were announced in the respective LC Technical Notices that are referenced.

All MARC Authority elements listed below may now be implemented in NACO Authority records. The next quarterly updates of the [LC Descriptive Cataloging Manual Z1: Name and Series Authority Records](#), DCM Z1 for short, and the [LC Guidelines Supplement to the MARC 21 Format for Authority Data, 2002 Edition with Subsequent Updates](#), also known as "The Blue Pages," are scheduled for April 6, 2020, and will incorporate the listed Authority elements. For MARC Authority elements not listed below, continue to follow the instructions in these documents. LC will also soon announce the availability of revised [NACO Training documents](#), which are in progress.

Both LC and OCLC will distribute follow-up announcements in coming weeks about the implementation of additional MARC Authority elements. In the meantime, please continue to follow the current instructions in DCM Z1 and the [LC Guidelines Supplement](#) for elements that are not listed below.

### Newly validated MARC Authority elements
